

66 mentions of OECD publications in social media for September 24, 2018

This list is compiled daily from [Altmetric data](#) and is based on mentions of [DOIs](#) in Social Media. 'Social Media' in this context includes Tweets, Blog entries, News stories and sometimes even Wikipedia edits. The blue circle next to each mention indicates the number of times the respective publications was shared on Social Media. Clicking on it will provide further details. This list was generated at 19:34 on 25 September 2018.
